DIRECTOR

Mark Nelson has over 25 years of experience working with businesses in a variety of industries. In this capacity, he has helped his clients analyze their operations to increase operating efficiencies, streamline their administrative procedures and in turn, maximize their overall profitability.

EXPERIENCE

Throughout his career, Mark has worked primarily with middle market companies in numerous industries, specifically focused in financial services, manufacturing, and transportation. This valuable experience has been gained through years of public accounting experience with national and local firms, as well as through internal audit, financial analyst and Chief Financial Officer positions. In addition to assisting his clients with their audit and consulting needs, he has also been involved with several corporate reorganization and recapitalization opportunities.
