DIRECTOR

Karen Snow, CPA, has over 20 years of experience in financial services, including banking, equipment leasing, and vehicle leasing. Additionally, she has five years of public accounting experience with national and local practices in audit and tax. She has advanced capabilities in applying audit and analytical skills to identify and correct weaknesses in accounting processes.

EXPERIENCE

Karen has been instrumental in assisting both start-up and seasoned companies succeed. She has played a key role in procuring a \$400,000 federal income tax refund by deferring taxable income with the use of book tax differences. She has developed accurate accounting records and financial packages for internal use by management and for presentation to financial partners, lenders, and potential investors.

Karen has produced reports for internal and external users by integrating financial and non financial information electronically, and has developed numerous customized reports to augment client enterprise software with particular proficiency in Excel, Crystal Reports, and FRx. In one instance, Karen dramatically streamlined the reporting process for a \$100 million financial services company.

(CPA license currently inactive with NE Board — not performing public accounting services)
